

Attachment A-1
Availability of Community Health Profile Data in Texas
Local Public Health Performance Assessment Tool
Centers for Disease Control
National Public Health Performance Standards
www.phppo.cdc.gov/dphs/nphpsp

Indicator	Texas definition of the indicator	Current data available?	Texas data source	If yes, additional analyses available?	Level data are readily availability (state, region, county)
Community Assets and Quality of Life:					
Proportion of adults stating that they are satisfied with the health system in their jurisdiction		No		NA	
Proportion of persons stating that they are satisfied with the quality of life in the jurisdiction		No		NA	
Environmental Health Characteristics:					
Number & type of U.S.EPA air quality standards not met (ozone, lead, particulate matter, & carbon monoxide)		Yes	Texas Natural Resources Conservation Commission (TNRCC), Ambient Air Database	NA	Primarily metropolitan counties only
Proportion of assessed rivers, lakes, and estuaries that support beneficial uses (e.g., fishing and swimming approved)		Yes	TNRCC, 305B database	NA	State and Texas river basins (approximately 20)
Percent of public facilities designated tobacco-free, smoke-free environment		No		NA	
Percent OSHA violations		Yes	U.S. Occupational Safety and Health Administration (OSHA), Bureau of Labor & Statistics Database	NA	State, county
Foodborne disease rate per total population		Yes	Texas Department of Health (TDH) Infectious Disease Epidemiology and Surveillance	NA	State, region, county
Percent of children <5 years of age who are tested and have blood lead levels exceeding 15ug/dL	14 years and age and younger with levels higher than 10mg/dL	Yes	TDH Environmental Epidemiology	NA	State, region, county

Waterborne disease rate per total population	Yes	TDH Environmental Epidemiology	NA	State, region, county
Percent total population with fluoridated water supplies	Yes	TDH Drinking Water Fluoridation Project	NA	State, individual water systems (approx. 4,500)
Rabies in animals per total population	Yes	TDH Zoonosis Control		State, region, county
Demographic Characteristics:				
Estimated Y2000 population	Projected current year to 2030	Yes	Texas State Data Center	NA
Net change in population from 1990	Yes	Texas State Data Center	NA	State, region, county, city
Population distribution by age	Single years of age for 0-74, and total 75+	Yes	Texas State Data Center	NA
Population distribution by gender	Yes	Texas State Data Center	NA	State, region, county
Population distribution by race/ethnicity	Hispanic, Non-Hispanic (white, black, other)	Yes	Texas State Data Center	NA
Population density	Persons per square mile	Yes	TDH Office of Policy and Planning and U.S. Census Bureau	NA
Socioeconomic Characteristics:				
Percent unemployed	Yes	Texas Workforce Commission	NA	State, county
Percent of families living in poverty	Yes	U.S. Census Bureau	NA	State
Median household income	Yes	U.S. Census Bureau & U.S. Bureau of Economic Analysis (Commerce)	NA	State, county
Percent of residents without health insurance	Synthetic estimates	Yes	Census Bureau / HHSC	NA
Ratio of students graduating from high school to those who entered 9 th grade 3 years previously	Yes	Texas Education Agency	NA	State, school district
Identification of special populations: migrants	No*		NA	State
Identification of special populations: homeless	No		NA	
Identification of special populations: non-English speaking	Yes	1990 census/Current Population Survey (CPS) 98***	NA	State, county, region
Number of persons aged 25 and older with less than a high school education	Yes	1990 census/CPS '98**	NA	State, county, region

Number of single-parent families	Yes	1990 census/CPS'98**	NA	State, county, region
Community Health Status Measures:				
General Health Status	Same as the Centers for Disease Control (CDC)	Yes	TDH, State-level and pilot specific Behavioral Risk Factor Statistical Survey (BRFSS)	NA State, regions, major metropolitan counties as well as the 1999 county level BRFSS pilots (Roberts/Gray, Young/Palo Pinto, Rusk, Williamson, Wharton, Willacy, Bandera, Brewster & Bastrop)
Percent respondents reporting their health status as very good	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	NA Same as above
Percent respondents reporting their health status as good	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	NA Same as above
Percent respondents reporting their health status as fair	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	NA Same as above
Percent respondents reporting their health status as poor	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	NA Same as above
Mortality Measures (Age Adjusted)				
All cause mortality rates	Total deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Total cancer mortality rate	Total cancer deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Breast cancer mortality rate	Female breast cancer deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Lung cancer mortality rate	Lung cancer deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Cardiovascular disease mortality rate	Cardiovascular disease deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Motor vehicle crash mortality rate	Motor vehicle crash deaths per 100,000	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county
Cervical cancer mortality rate	Cervical cancer deaths per 100,000 population or per 100,000 female population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: na State, region, county
Colorectal Cancer mortality rate	Colorectal cancer deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes State, region, county

Texas Department of Health Comprehensive Strategic and Operational Plan Fiscal Years 2001–2002

Chronic obstructive lung disease mortality rate	Chronic obstructive lung disease deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Chronic liver disease and cirrhosis mortality rate	Chronic liver disease and cirrhosis deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Diabetes mellitus Mortality rate	Diabetes deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Pneumonia/influenza mortality rate	Pneumonia/influenza deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Stroke mortality rate	Stroke deaths per 100,000 population	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Total Years of Productive Life Lost (YPLL) by Race/Ethnicity	Before age 65 Years of potential life lost before age 75	Yes	TDH Vital Statistics	By age: Yes By race/ethnicity: Yes By gender: Yes	State, region, county
Morbidity: Incidence Rates		Yes	TDH Vital Statistics		State, region, county
Breast cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Cervical cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Colorectal cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Lung and bronchus cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Prostate cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Smoking-related cancer	Number of cases divided by resident population	Yes	TDH Cancer Registry	By race/ethnicity: Yes	State, region, county
Maternal & Child Health Characteristics:					
Infant mortality rate	Number of deaths under one year of age per 1,000 live births	Yes	TDH Vital Statistics	By race/ethnicity: Yes	State, region, county
1 st trimester prenatal care: percent of live births	Percent of mothers not receiving prenatal care in the first trimester	Yes	TDH Vital Statistics	By race/ethnicity: Yes	State, region, county
Low birthweight: percent live births	Percent of low birth weight infants (< 2,500 grams)*	Yes	TDH Vital Statistics	By race/ethnicity: Yes By age y/n: Yes	State, region, county

Very low birthweight: rate per live births	Percent of births weighing less than 1500 grams	Yes	TDH Vital Statistics	By race/ethnicity: Yes By age: Yes	State, region, county
Births to adolescents (ages 10-17) as a proportion of live births	Percent of births to women ages 10-17	Yes	TDH Vital Statistics	By race/ethnicity: Yes	State, region, county
Repeat teen pregnancy	Child deaths per 100,000 population 1-14 years	Yes	TDH Vital Statistics	NA	State, region, county
Child mortality: rate per population age 1-14	Child deaths per 100,000 population 1-14 years	Yes	TDH Vital Statistics	NA	State, region, county
Behavioral Risk Factors:					
Tobacco use: percent total population	Current smoker, some days, every day	Yes	TDH, State-level and pilot specific BRFSS	By age: Yes By race: Yes By sex: Yes By income: Yes By education: Yes (For surveys with adequate sample)	Same as above
Binge drinking: percent total population	>= 5 drinks on an occasion in the past 30 days	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Nutrition : percent total population	5 servings of fruits and vegetables per day	Yes, every other year	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Obesity : proportion of population age 18 and over who are obese	Body Mass Index (BMI) >=25 (overweight), >=30 (obese)	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Exercise: percent total population	Regular and Vigorous Sedentary lifestyle	Yes, every other year	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Sedentary Lifestyle: percent total population	Sedentary lifestyle	Yes, every other year	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Seatbelt use: percent total population	Safety belt use, other than always	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Child safety seat use: percent total population	Other than always	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Bicycle helmet use: percent total population	Other than always	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Condom use: percent total population	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Pap smear: percent of women by age group	Within past 3 years	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Mammography: percent of women by age group	Within past 2 years, women aged 40+	Yes	TDH, State-level and pilot specific BRFSS	Same as above	Same as above
Illegal drug use: percent total population	Data on substance abuse treatment: Numbers of persons seeking substance abuse services, motor vehicle accidents, arrests and deaths as analyzed by the Texas Commission on Alcohol and Drug Abuse (TCADA)	TACADA	Texas Commission on Alcohol and Drug Abuse (TCADA)	By age : Yes By race: Yes By sex : Yes By income: Yes (Variables analyzed by type drug)	State, county

Texas Department of Health Comprehensive Strategic and Operational Plan Fiscal Years 2001–2002

Sentinel Events:				
Vaccine Preventable Diseases				
Measles incidence rate	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA
Mumps incidence rate	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA
Rubella incidence rate	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA
Pertussis incidence rate	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA
Tetanus incidence rate	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA
Sentinel Events: Avoidable Hospitalizations				
Asthma	Currently hospital discharge data are only available for fee-for-service Medicaid clients. Statewide hospital discharge data should become available from the Texas Health Care Information Council by late 2000.	No	NA	NA
Cellulitis	Same as above	No	NA	NA
Congestive heart failure	Same as above	No	NA	NA
Diabetes mellitus	Same as above	No	NA	NA
Gangrene	Same as above	No	NA	NA
Influenza	Same as above	No	NA	NA
Malignant hypertension	Same as above	No	NA	NA
Perforated/bleeding ulcers	Same as above	No	NA	NA
Pneumonia	Same as above	No	NA	NA
Pyelonephritis	Same as above	No	NA	NA
Sentinel Events: Late Stage Cancer Diagnosis				
Cervical cancer	Proportion of cases at specific stages	Yes	TDH Cancer Registry	NA
Breast cancer	Proportion of cases at specific stages	Yes	TDH Cancer Registry	NA
Sentinel Events: Work Related				
Injuries	Variable	Texas Worker's Compensation Commission, TDH Trauma Registry	NA	State
Deaths	Work-related deaths per 100,000 population	Yes	TDH Vital Statistics	NA
Social and Mental Health Characteristics:				
Average number of days, during the past 30 days, for which adults report that their mental health was not good	Same as CDC	Yes	TDH, State-level and pilot specific BRFSS	By age: Yes By race: Yes By sex: Yes By income: Yes By education: Yes (For surveys with adequate sample)

Texas Department of Health Comprehensive Strategic and Operational Plan Fiscal Years 2001–2002

Confirmed cases of child abuse/neglect: total	Confirmed victims of Child Abuse/Neglect; Confirmed CPS investigations	Yes	Texas Department of Protective and Regulatory Services	NA	State, county
Confirmed cases of child abuse/neglect: rate per population aged less than 18	Confirmed victims per 1,000 children	Yes	Texas Department of Protective and Regulatory Services	NA	State, county
Homicide rate: age adjusted, total	Homicides per 100,000 population; age adjusted	Yes	TDH Vital Statistics	NA	State, region, county
Homicide rate: age adjusted, by race	Homicides per 100,000 population; age adjusted by race	Yes	TDH Vital Statistics	NA	State, region, county
Suicide rate: age adjusted	Suicides per 100,000 population; age-adjusted	Yes	TDH Vital Statistics	NA	State, region, county
Suicide rate: age adjusted, by race	Suicides per 100,000 population; age-adjusted by race	Yes	TDH Vital Statistics	NA	State, region, county
Suicide rate: teen Suicide rate	Teen suicides per 100,000 population	Yes	TDH Vital Statistics	NA	State, region, county
Domestic violence: rate per total population	Variable	Law enforcement and Dept. of Health & Human Service data as analyzed by the Texas Council on Family Violence	NA	State, region, county	State, county
Psychiatric admissions: rate per total population	Psychiatric admissions, 30 days or less and psychiatric admissions more than 30 days by TDH licensed acute and psychiatric care hospitals	Yes	TDH/AHA/THA Annual Survey of Hospitals	NA	State, region, county
Infectious Disease Patterns:					
Proportion of 2-year old children who have received all age-appropriate vaccines, as recommended by the Advisory Committee on Immunization Practice	Yes	TDH Immunization Division	NA	State, region, county	
Proportion of adults aged 65 and older who have ever been immunized for pneumococcal pneumonia	No		NA		
Proportion of adults aged 65 and older who have been immunized in the past 12 months for influenza	No		NA		
Percent appropriately immunized children per population	Yes	TDH Immunization Division	NA	State, region, county	

Primary and secondary syphilis cases: rate per total population	Reported cases divided by resident population	Yes	TDH HIV/STD Epidemiology Division	By age: Yes By race: Yes By gender: Yes	State, region, county
Gonorrhea: rate per total population	Reported cases divided by resident population	Yes	TDH HIV/STD Epidemiology Division	By age: Yes By race: Yes By gender: Yes	State, region, county
Tuberculosis: rate per total population	Reported cases divided by resident population	Yes	TDH Tuberculosis Division	By age: Yes By race: Yes By gender: Yes	State, region, county
AIDS: incidence rate per population	Incident cases divided by resident population	Yes	TDH HIV/STD Epidemiology Division	By age: Yes By race: Yes By gender: Yes	State, region, county
AIDS: prevalence rate per population		Yes	TDH HIV/STD Epidemiology Division	By age: Yes By race: Yes By gender: Yes	State, region, county
Meningitis cases: rate per total population	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA	State, region, county
Hepatitis A cases: rate per total population	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA	State, region, county
Hepatitis B cases: rate per total population	Reported cases divided by resident population	Yes	TDH Infectious Disease Epidemiology and Surveillance	NA	State, region, county
Health Resources:					
Per capita health care spending for Medicare beneficiaries (the Medicare adjusted average per capita cost)		Yes	Health Care Financing Administration (HCFA)	NA	State
Medicaid eligibles to participating physicians	Unduplicated count of Medicaid eligibles divided by number of Medicaid participating physicians	Yes	TDH, Medicaid Program; HCFA- 2082 report from Department of Human Services; Medicaid Participating Physicians, TDH, Bureau of Purchased Health Examiners	NA	State, county
Licensed dentists: rate per total population	Total number of active dentists practicing in Texas and licensed by the Texas State Board of Dental Examiners per 100,000	Yes	Texas State Board of Dental Examiners	NA	State, county, city, zip code
Licensed physicians: rate per total population	Total number of active physicians practicing in Texas and licensed by the Texas State Board of Medical Examiners per 100,000 population	Yes	Texas State Board of Medical Examiners	NA	State, county, city, zip code
Licensed hospital beds: total	Licensed beds for acute and psychiatric care hospitals licensed by TDH	Yes	Directory of Hospitals by County prepared by TDH, Health Facility Licensing Division and hospital tracking database maintained by TDH, Office of Policy and Planning	NA	State, region, county, city

Licensed hospital beds: acute	Licensed beds for acute care hospitals licensed by TDH	Same as above	NA	State, region, county, city
Licensed hospital beds: specialty	Licensed beds for specialty care (limited definitions) hospitals licensed by TDH	Same as above	NA	State, region, county, city
Licensed hospital beds: rate per total population	Total population divided by licensed beds. The licensed beds are from TDH licensed acute or psychiatric hospitals	Same as above	NA	State, region, county, city
Licensed hospital beds: occupancy rate	The licensed occupancy rate is measured by comparing actual number of days reported for the year with the total possible occupancy using licensed beds. Formula: Number of inpatient days divided by licensed beds. The result is then divided by 365 days or number of days hospital is open during the reporting year	1999 is the most current; data available annually	NA	State, region, county, city
Visiting nurse services/in home support services: rate per total population	No	NA	NA	
Proportion of population without a regular source of primary care (including dental services)	No			

* An estimate of migrant workers for states is being prepared for all states; release date unknown.

** 1990 census data available for all geographic units; CPS (Current Population Survey) only valid for state level
